On a more somber note, IFUW offers its deepest sympathies to our sisters in Bangladesh following the Rana Plaza building collapse in Dhaka in April. IFUW has drafted a statement calling on the Bangladesh Government to legislate strongly in favour of women workers’ safety. [Click here](http://ifuw.org/members_new/login-successful/) to read the statement.

Professor Najma Siddiqi, President of the Bangladesh Federation of University Women, has written to thank the IFUW Board for drafting this powerful statement recognizing the immense tragedy that befell the women workers in Savar. She will be calling a special meeting tomorrow, where she will share the statement, and send out a press release.

Bring a Delegate to Conference

As we draw nearer to Conference the “Bring a Delegate to Conference” organized by the IFUW Membership Committee and LAC has already generated a large amount of interest. Please let us continue to support the fund, so that together we can make the campaign a huge success and help bring as many delegates to Istanbul as possible.

With this in mind, the IFUW Board and the LAC invite both NFAs and individual members to continue contributing towards this fund. The funds will be used only for delegates who are able to attend the full conference and provide an undertaking to participate fully in the programme of events and report back
