*From Growth to Sustainability*

34th Triennial  
General Assembly and Conference

(to be held virtually)

11 November - 13 November 2022

**Circular 14/2022**  
**12 September 2022**

**To: National Federations and Associations (NFAs) Presidents and CIRs**  
**From: Graduate Women International (GWI) Resolutions Committee**  
**Subject: 2022 Policy Resolutions Amendments**

---

**The deadline to submit policy resolution amendments is 10 October 2022.**

**NO AMENDED TEXTS WILL BE ACCEPTED AFTER THIS DATE.**

Please submit amendments to [resolutions2022@gwi.graduatewomen.org](mailto:resolutions2022@gwi.graduatewomen.org).

Policy resolutions approved by the GWI General Assembly add a critical dimension to the purpose, international advocacy and mission of GWI. They are at the core of GWI and give direction to NFAs and the GWI leadership. They also provide focal points for NFA and GWI Headquarters advocacy strategies with their respective governments and provide the framework for the representatives at the United Nations campuses.

We thank those NFAs who submitted policy resolutions. We have received 10 submissions on a variety of issues covering global perspectives.

**A compilation of the 10 resolutions can be accessed [here](#).**

We urge the NFAs to examine the policy resolutions and provide suggestions for amended text no later than 10 October 2022 to [resolutions2022@gwi.graduatewomen.org](mailto:resolutions2022@gwi.graduatewomen.org). The amendment must come from the NFA not an individual. Understandably, late amendments cannot be accepted.

#### **Discussion prior to the General Assembly**

If requested, NFAs will have an opportunity to discuss the policy resolutions and ask questions to the proposing NFA and/or the Resolutions Committee. *These discussions, if needed, will be held virtually in the days prior to the General Assembly and **MUST be requested no later than 10 October 2022** in order to allow time to schedule the meeting with appropriate parties before the GA.*

#### **Policy Resolutions at Conference**

Proposing NFAs will formally present their policy resolution during the designated sessions at the General Assembly, 11-12 November, with the facilitation of the Resolution Committee. ***Please note that no other discussion about the policy resolutions will be held during the General Assembly, and amendments will not be taken from the floor.*** Immediately following each session, VOTING to adopt the policy resolution WILL TAKE PLACE. The draft of the General Assembly agenda can be found [here](#).

We also urge you to register today for the General Assembly and Conference. The Early Bird Registration fee is CHF 60 and has been extended until 31 October. [Click here to register today!](#)
